Environmental Declaration

The content of this document is based upon information collected from Airgain Corp's supply chain, manufacturing facilities and affiliates worldwide. Providing for limitations below, Airgain Corp certifies that the information provided in this document is correct as of the date indicated on this page.

Airgain has implemented systems to ensure products are compliant to environmental regulations and laws worldwide. However, not all materials in Airgain products may have been independently verified regarding substance content. In the event of any issues arising from information in this document, the warranty section of Airgain's standard terms and conditions of sale shall apply, unless alternate contracts have been agreed upon in writing by both parties.
